PROFILE

Civil engineering student, teacher and founder of Diploma Tutor, an education platform for diploma (polytechnic) students in Bangladesh. Teaching since my third semester at Bogura Polytechnic Institute; since August 2025 building Diploma Tutor from a single sublet room into a platform whose students come from more than 200 polytechnics.

EXPERIENCE

Aug 2025 – present

Founder & teacher, Diploma Tutor — Bogura

- Started offline classes on 20 Aug 2025; launched publicly on 27 Aug 2025.
- Published a full semester of free online classes, funded by offline teaching.
- First paid course, Civil 5th Semester Premium Batch: more than 500 students.
- Grew from one sublet room to a four-room flat with an office; upgraded from whiteboard to smartboard from savings.
- Runs online courses for diploma academics, DUET admission and job preparation, plus offline classes and polytechnic admission preparation.

2025 – present

Teacher, DUET admission candidates

Teaching departmental subjects to students preparing for the DUET admission test.
